

See what Savanna has to offer.

Architecture

Vibrant architecture gives Savanna an exciting, urban feel. A broad mix of housing styles will be unified by common design elements, for a character and lifestyle that matches the uniqueness of our residents and a shared aesthetic that shapes Savanna for years to come.

A Sense of Place

The planned Urban Commercial Centre will be the heart of Savanna, providing a unique central hub where residential, retail and commercial services come together. It will give the community a place to work, live, and socialize.

Established

With the surrounding neighbourhoods of Saddle Ridge already established and flourishing, all of the amenities you need are just minutes away, including schools and rec centres. Saddletowne provides a world of shopping and transit options that connect Savanna to the rest of the northeast, and the rest of Calgary.

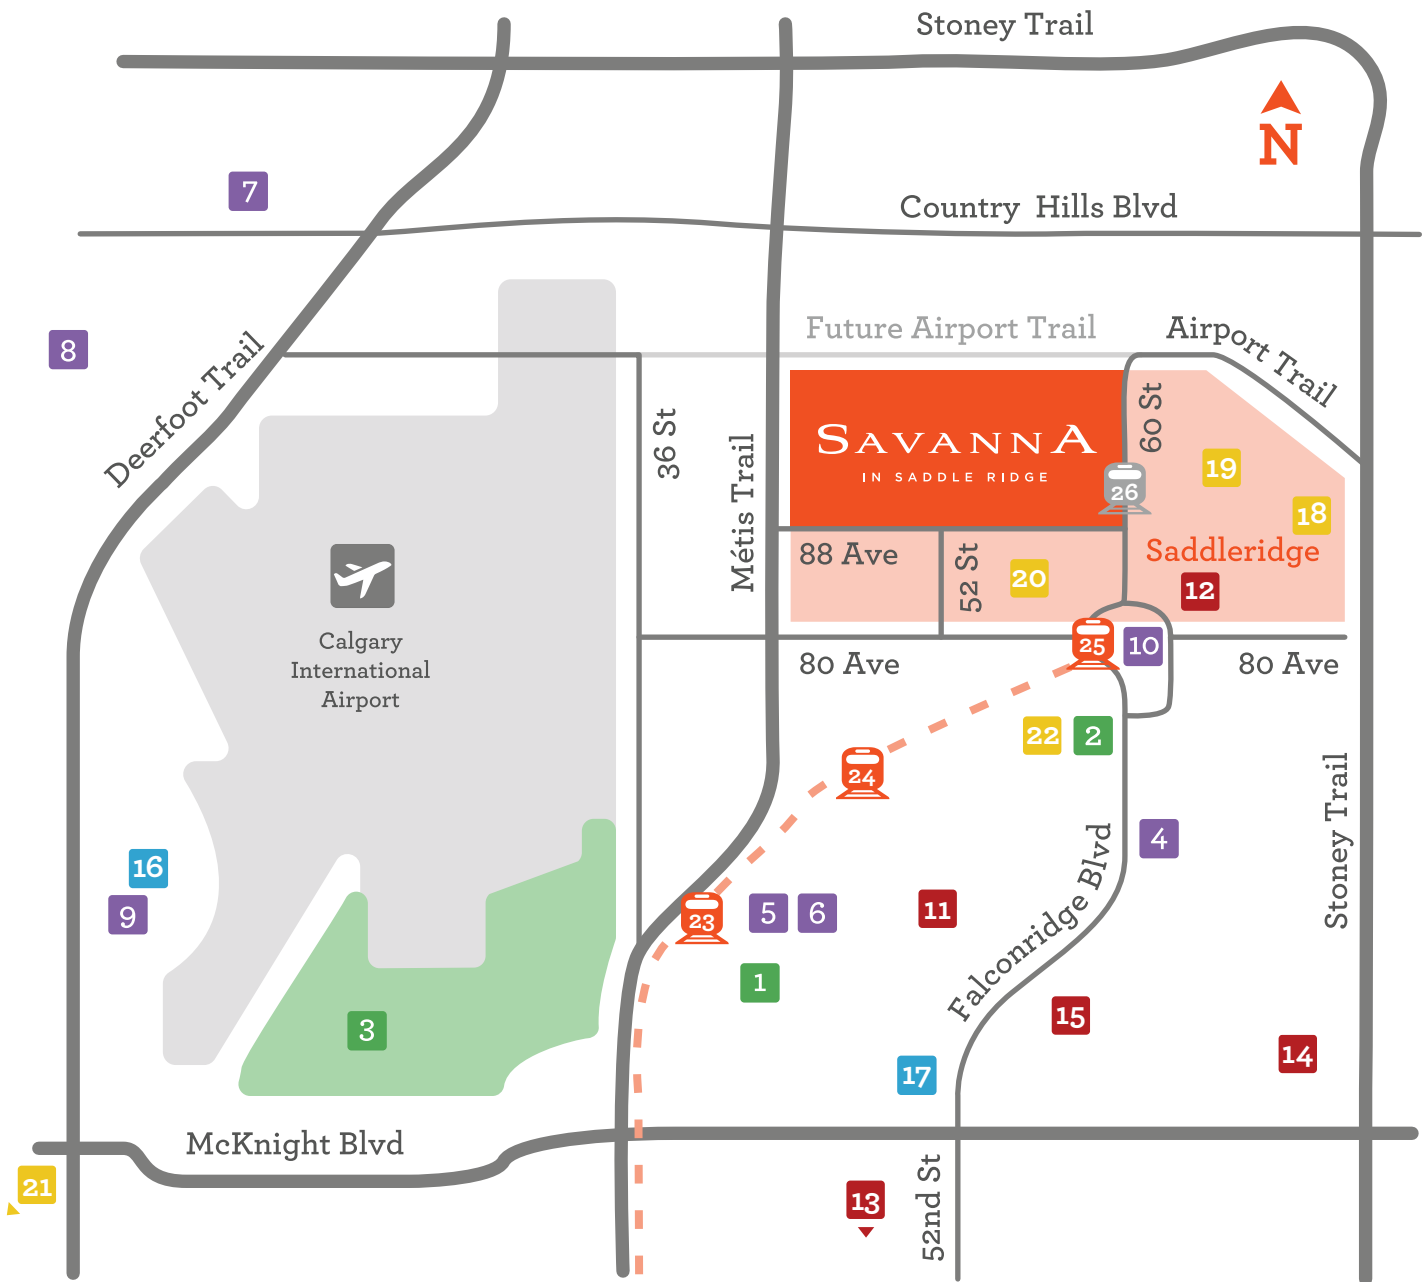

Accessibility

With quick access to Stoney Trail, Métis Trail and Deerfoot, Savanna gives you access to major thoroughfares that connect you to the rest of the city. The Saddletowne LRT station and several existing bus lines are less than 1 kilometre from the community, and an even closer LRT station is planned for the future.

Savanna is where quality meets convenience in the neighbourhood you already know and love. Here in the new northeast, you will feel a sense of connectivity that brings everything you cherish to your doorstep. Find out more at SavannaLiving.ca
